Models of Theological Reflection: Theory and Praxis

Lonergan's starting point is transcendental, concerned with one's own religious experience and one's own experience of the self. Theology is con-ceived as a process of bringing to speech who I am as a person of faith and as a product of my historical, geographical, social, and cultural environment (Bevans, 1992).

Trek is a different kind of company

in more ways than one. But the key difference (and one of my personal favorites) is that Trek doesn't provide customer service. We provide hospitality. Customer service is expected everywhere, so the only way you can stand out is when you either fail to deliver it or wildly exceed customer expectations.
